

Celebrate Code Platoon!

Thursday, November 14, 2019

Nacional 27

On Thursday, November 14, 2019, Code Platoon will host our 2nd Annual Celebrate Code Platoon fundraising event at Nacional 27 in Chicago. We are grateful for the steadfast support of the community that made our inaugural fundraising event an incredible success!

This year, we anticipate more than 200 guests in attendance and have set a goal to raise \$150,000 in support of our program to help veterans and military spouses become software development professionals. Our Celebrate Code Platoon partners play a crucial role in helping us grow, enhance, and deliver our program to more students.

Together, we can serve those who have served us.
